

Automated Office Systems Color and Black/White Printing Solutions

**FS-C8500DN (55/50 PPM
Color Network Laser
Printer)**

The Kyocera's latest technology, FS-C8500DN offers 55PPM black and 50PPM color printing with an array of paper and finishing options. Using Kyocera's Micro- Particle toner for superior image quality, standard 1GB of Printer memory and a standard 160GB Hard Disk Drive, your print productivity will be at an all time high. The class leading 300,000 page maintenance interval and 225,000 page maximum monthly print volume gives you the capability to meet high volume tasks when you need too. The standard 1,100 page and up to 4,100 page paper capacity from up to 5 paper sources provides wide media flexibility. Multiple finishing options from a 1000 page stapling finisher , up to a 3000 page booklet folding finisher are available. Optional 7 bin mailbox and Data Security Kit.

**FS-1028MFP (33 PPM
Black and White Multi-
functional Printer)**

With standard network printing, copy and color scanning functions this highly efficient desktop letter/legal multifunctional printer is small, compact and quiet. Designed with ultra reliable ECOSYS technology the 30 ppm FS-1028MFP is a MFP that small business and workgroups can rely on everyday. And with its long life drum, toner and easy to replace toner container you will enjoy a low total cost of ownership compared to typical all in one models. An optional document processor is also available.

**FS-3040MFP (42 PPM
Black and White Multi-
functional Printer)**

With a fast output speed of 42 ppm, the Kyocera FS-3040MFP provides exceptional functionality with standard network print, copy, and color scan features, in the compact footprint of a traditional printer.

Incorporating our ECOSYS technology of long-life and a low total cost of ownership, the FS-3040MFP provides an incredibly cost-effective and reliable solution for your business.

**FS-9530DN (51 PPM
Black and White Laser
Printer)**

Businesses with high-volume print jobs and applications will always look for a dependable and productive device, and the FS-9530DN ECOSYS® Printer fits their needs. With fast print speeds of up to 51 pages per minute, standard duplex and 1,200 sheet paper capacity, the FS-9530DN can be configured with optional finishing and additional paper handling to meet the requirements of the most demanding environment. With a standard network interface and extensive print features, the FS-9530DN and Kyocera's low Total Cost of Ownership will provide a winning combination for every customer.
